

At Optic One, we strive to offer the highest quality eyewear and service. One of the most common misconceptions about eyewear and other vision care products is that they are all the same. The truth, however, is that not all eyecare products are created equally. Across the eyecare industry, there is a huge variance in quality and craftsmanship put into products. We use

only top quality materials to provide you with the best eyecare products because you deserve it.

You will love selecting your new glasses in our beautiful Optical Gallery. Our highly trained Opticians will answer all of your questions about the various types of lenses, and they will make sure you have the perfect fit. We have the largest selection of designer frames in Spokane, including Caviar, Versace, Gucci, Dior, Ralph Lauren, Elle, Lacoste, Givenchy, Tommy Hilfiger, Ted Baker, Vera Wang, Oscar de la Renta, Lucky Brand, Apple Bottoms, ProDesign, Escada, Perry Ellis, and New Balance.

We appreciate your confidence in our quality eye care and eye care products. You can be assured your eyewear will be the finest quality available.
